No Surprise Quotes!

At Totalspan, we ask for your site location as all of our designs are site specific. We also make sure to provide you an accurate quote upfront, so you don't get any nasty surprises later. Our quotes include fixtures, fittings and most importantly the correct engineering for your site. For more information, speak to your local Totalspan shed specialist.

HUGE RANGE OF COLOURS

Heritage Red	Gull Grey
Jasmine Brown	Amour Grey
Smooth Cream	Slate Grey
Off White	Mist Green
Merino	Caulfield Green
Birch	Mountain Blue
Zinc	Monolith

Build your Dream Shed Greater Choice

At Totalspan, we like to be different. Standard just isn't in our vocabulary – as a result, we can offer you a much greater choice when it comes to designing your residential buildings, rural sheds and commercial structures.

- 1 Standard Range of Buildings & Configurations up to 24m Spans
- 2 Cost Effective Designs Based on Sheeting Increments
- 3 Inline Building Designs Available Optimising internal Floor Space
- 4 Custom Design & Engineering Capabilities for Out of the Box Designs

Site Specific Designs

Not only are our buildings ShedSafe approved and designed specifically for your site, but we supply you with a quote that reflects the correct windrating for your shed's location! No costly surprises later! And you are investing in a secure & robust building that will keep you safe!

6 months Interest Free*
